

Community Operations

Community Operations Overview

The three Regional Directors of Community Operations (Northern, Central and Southern Regions) serve as points of contact for local elected officials, county managers, and other community leaders. Their duties include:

- Interacting with community stakeholders to identify system barriers, develop solutions, and lead Partners' efforts in the communities it serves.
- Responsibility for the administration of county dollars provided to Partners by the eight counties in our catchment area.
- Representing Partners in community meetings that include, but are not limited to the following: Board of County Commissioners; Juvenile Crime Prevention Councils; Child Fatality/Prevention Teams; Local Emergency Preparedness Committees; and School Health Advisory Committees.
- Facilitating Crisis Collaborative meetings to improve access to crisis services in the communities we serve.
