

Trading Partner Agreement Appendix A: Transaction Sets

As initiated below by both parties, the following transaction sets are made part of the Trading Partner Agreement for health care transactions. All transactions are to be implemented in accordance with the HIPAA implementation guides. Partners Health Management will provide companion documents for each of the transactions that the Electronic Data Interchange (EDI) partner will exchange. As additional transaction sets are implemented, each party will complete a new Appendix A indicating the transaction sets that are to be part of this agreement. Please check all transaction sets/file types below the Trading Partner wishes to exchange with Partners:

Health Care Transaction Sets:

☐ 270	Healthcare Eligibility Benefit Inquiry
☐ 271	Healthcare Eligibility Benefit Response
☐ 275	Patient information & Attachments
☐ 276	Healthcare Claims Status Inquiry
☐ 277	Healthcare Claim Status Response
☐ 835	Healthcare Claim Payment/Remittance
☐ 837i	Healthcare Claims - Institutional
☐ 837p	Healthcare Claims - Professional
☐ 999	Functional Acknowledgement
☐ TA1	Acknowledgement Response File
